Re: ***Ex Parte Presentation***  
**WT Docket Nos. 04-356 and 02-353**

Dear Ms. Dortch:

On September 20, 2005, Richard Harvey, Senior Member Technical Staff at Verizon Wireless, Sean Haynberg, Director of RF Technologies at V-Comm and technical consultant to Verizon Wireless, and the undersigned met with staff of the Wireless Telecommunications Bureau and the Office of Engineering & Technology to discuss the potential for interference into incumbent PCS systems from operations in the 1915-1920/1995-2000 MHz band ("H block"). A list of meeting participants and a copy of V-Comm's presentation materials are attached.

Pursuant to Section 1.1206(b)(2) of the Commission's Rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket.

Sincerely,

/s/ Donald C. Brittingham  
Donald C. Brittingham
